AGENDA

ASPETAR DENTAL EMERGENCY KIT WORKSHOP

8 October 2025

#Aspetarcon25

Target Audience: Dentists, Physicians, Nurses, Allied Health Practitioners

Activity code: HGI-03-P156

Venue: Aspetar Auditorium

Time: 12:30 – 15:50

Please note that this activity is offered as a part of the Aspetar World Conference 2025, therefore, you must be registered for the conference to be able to sign up for this workshop.

Overall Learning Objectives:

On completion of this activity, participants will be able to:

1. Identify each tool in the Dental Emergency Kit
2. Utilise the contents of the emergency kit with skill and confidence
3. Apply skills and knowledge to appropriately manage oral trauma and dental problems
4. Compare different types of oral injuries and immediate treatment options with the aid of the emergency kit
5. Evaluate the severity of an oral injury and when immediate dental attention is required

This activity is an Accredited Group Learning Activity (Category 1) as defined by the Ministry of Public Health's Department of Healthcare Professions - Accreditation Section and is approved for a maximum 2.50 hours.
